The tuition fee for your Class Registration is €649, which includes a non-refundable €200 registration fee.

Your registration will be accepted once we have received your Registration Form and payment of the €200 registration fee.

We will do our best to assign all students to their first-choice classes; however, classes may fill up quickly. If a class becomes very popular and reaches more than 10 students within the first two weeks of registration, we will conduct a lottery. To participate in the lottery, you must register and pay the registration fee of €200 before November 15, 2024.

The lottery will be held on November 17, 2024. Students who take part in the lottery will be notified of the results via email.

If you do not wish to enter the lottery, or if you register after November 15, 2024, you can sign up for classes on a 'first come, first served' basis until a class is full.

****Materials Fee:****

The materials fee varies depending on your chosen class. It covers costs for materials, tools, jigs, precut pieces, kits, and other items provided during your class.

This fee is class-specific and is listed in the class information on the website. Please note that the materials fee must be paid in cash directly to your teacher during the class at Miniature in Tune.
